

I want to thank the Nominating Committee chairman, Rick Bowering the Nominating Committee and all those who have been a part of the nomination process here at Calvary Temple this year. I am pleased to present to you the seven candidates allowing their names to stand for the four positions open on the church board.

Please give prayerful consideration to this meaningful exercise. We prefer to view the election process as a way to discern God's will, rather than simply an election on the human level. Thank you to all who are willing to participate in finding God's will.

The Bible Says...

In the same way, deacons must be well respected and have integrity. They must not be heavy drinkers or dishonest with money. They must be committed to the mystery of the faith now revealed and must live with a clear conscience.
