

## PASTOR'S PEN

Welcome to the community of believers known as Calvary Temple Church. On this the first Sunday of July in the summer of 2017, it is particularly encouraging to have you joining us today. This is the season of the year when many people take time to be away on vacation. When it's time for your family to be away, please do so with our blessing. This is our World Mission's Focus Sunday and Pastor James Okot, our pastor of Ethnic Ministries will be sharing God's Word in all three morning services. Tonight at 6:00 p.m. in the Buntain Chapel, today's mission's theme continues as Teen Challenge hosts Alexander Santiesteban from Cuba. Everyone is welcome!

Out on the shores of Red Rock Lake, Mini Camp begins this Wednesday. This is always a very exciting time for the very young ones, many of whom will be experiencing camp for the very first time. This past Thursday our camping season got underway with our discipleship training program we call, EDGE (Equipping Disciples of God for Eternity). These young people will be serving this week at Mini Camp. There are still available spots in all the upcoming weeks of camp. Please help us spread the word. Sponsorship is always a possibility.

Beginning today, our District Camp, Manhattan Beach Retreat Centre on the shores of Pelican Lake is hosting the first week of Family Camp. Miriam and I will be there, taking in the 1st week as pastors' of the week. The speakers this week are both PAOC District Superintendents, John Drisner from Saskatchewan and Ken Russell from BC. Please keep in mind that there are complimentary rooms available mid week for those who have never attended our district camp. For information and registration please contact [info@mbrc.ca](mailto:info@mbrc.ca) or call 204-528-3306.

For the past number of months we have shared about our financial situation. I would like to tell you that throughout this challenging time God has been faithful. Recently at our board meeting I was pleased to hear that through faithful giving and financial management we are seeing an improvement in our financial position. As we enter the summer season I would encourage everyone to continue to be faithful and know that as we do our part, God will do His part. You may find it helpful to know that we have added a new way for you to engage with our church. Simply text CT to 204-943-4551 and you will be sent a link to a mobile platform which will allow you to participate in online giving, or connect with us as a visitor. In the coming months we will be adding more features to make it easier for people to interact and gain information about the church through this new mobile platform. Thank you for your continued faithfulness.

Bruce and Miriam

**Special Prayer in Celebration of Canada's 150**

For God's glory to be revealed in our nation

- In celebrating our 150th birthday as a nation, that we would be thankful and appreciative of God's kindness and that many more of our citizens' hearts will turn to Him in the months and years ahead.
- That God will continue to bless Canada with provision, protection and direction.
- For wisdom, understanding, integrity and strength for our government leaders and judges at all levels—federal, provincial, and municipal.
- That God will strengthen the faith of Christ-followers throughout Canada, and grant them boldness to share the gospel in word and deed wherever He has placed them.
- That evangelical individuals and organizations will find favour as they seek opportunities to be godly influences in cities and communities across Canada.
