

PASTOR'S PEN

I am so pleased that you have joined us on the second Sunday of July here in the summer of 2017. Miriam and I certainly enjoyed our week at Manhattan Beach Retreat Centre. It was a wonderful time of spiritual refreshment, with a chance to meet so many people from Calvary Temple, many of whom are cottage owners at our District Camp.

Today in all three morning services, I am beginning a summer series of sermons from Colossians 3 that we're calling, "Keys to Life". Today's message, "Where is Your Life?" will focus in on the practical. Tonight at 6:00 p.m. in the Buntain Chapel, Pastor James Okot will be sharing God's word.

Thank you for keeping in mind the three family business missions projects which were shared with us last Sunday through our monthly missions focus. Of course I am referring to the two Africa trips, one with Alfred Flett and the other with James Okot both going to Uganda, Alfred for evangelism and James going to share with Pastors in training seminars. Your designated missionary offering is absolutely crucial for the success of these two Calvary Temple endeavors. The third opportunity is with Andrew and Rocio Friesen and their upcoming participation in the country wide evangelistic thrust going on in Belize this summer. I have been in contact with Andrew this week and they are trusting God to provide the funds to allow them to keep their commitments in this amazing outreach.

Yesterday, the bus returned from the shores of Red Rock Lake with 50 very excited young campers. Today, after lunch, 76 Junior Girls will make their way out for a week packed full of good things. As Pastor Barber often described our camping ministry, "a week that can change a life". Well, we still believe that and it proves to be true every week all summer long. There are still spots available for campers of all ages. Please help us get the good word out and see if we can fill every week all summer long.

Lynda Randle, the Gaither homecoming artist, is returning to Calvary Temple on July 23 at 6 PM here in the sanctuary for a one of a kind summer concert. She is bringing musicians with her. Her visits to Manitoba are few and far between. Believe me, you do not want to miss this great evening of Praise to the Lord.

Thank you for being here today in the midst of our beautiful southern Manitoba summer.
