STAFF SHOUTOUT: Achilles

If you've been to Big City Avenue, there's do doubt that you've probably been greeted by this outstanding young man. We have watched Achilles grow up as he attended BCA's program at an early age. Some of his other involvements include Navy Cadets and he is an award winner at Calvary Temple's Christian Service Brigade. We are blessed that he has stayed to help volunteer on Sunday mornings. His area of expertise is definitely with computers and we are always confident having him involved with the sign in and sign out process and all the troubleshooting that goes with computers. Achilles is a helper in the small groups and jumps in to help wherever there is a need, which is why he is a valuable member of our team.
